

**AGENDA
TIP WORK SESSION
TECHNICAL COORDINATING COMMITTEE**

1. Review TIP List:
Large projects were divided into smaller categories. TCC will determine if these projects are on target.
2. Review Point Allocation:
TCC will review point allocation that was completed by RPO and NCDOT staff.
3. Allocate Flex Points:
TCC will help determine flex points for each project.
4. Discuss future meeting location and time.

**Next meeting:
July 9, 2007**
Location TBA: Anson County
